

A Letter From The Chairman

Dear Friends,

In 2025, Democrats across the country were successful in regaining momentum and running winning campaigns to slow Republican efforts to upend our way of life. Democrats in Lake County had success in key school board and municipal government races. Now we turn our attention to the all important 2026 midterm elections.

Ohio will have all of our statewide offices up for election along with a U.S. Senate race. Our ticket will be led by **Dr. Amy Acton for Governor** and **Sherrod Brown for Senator**. This outstanding top of the ticket will give all of our down ballot candidates a real chance to be successful. Lake County will have two County Commissioner races on the ballot along with two State Rep. races and a U.S. Congressional race.

If we are ever going to win races in Ohio and Lake County, this is the year that provides the opportunity to do it!

We support our candidates with:

A storefront campaign office,
Yard signs for statewide races,
Vote by mail chaser literature mailers,
Sample ballot production and distribution,
Door to door and phone canvassing, and
Literature distributions.

***This requires significant investments from our local Party.
We cannot do this without your help!***

The Sustaining Club is our annual fundraising appeal and is the financial foundation of our party.
